

RESOURCES AVAILABLE FROM SERU

Resources, the Current Awareness (Journal Articles) and Web Links are available on the SERU website.

How To Borrow / Browse SERU Resources Online

You can browse the library without borrowing, as a guest.

To borrow items online you need to be registered and have a password – please ring SERU to see if you are eligible and to arrange a password.

-
1. Go to the SERU website <http://web.seru.sa.edu.au> (no www).
 2. Click on: *Resource Centre Direct Login*. (The library can also be accessed through *Online Services or the SERU Databases* login list.
 - Then select *Search the Resources*
 - If you are only browsing, select *Guest*.
 - Enter your *Account Name and Password* (your password is case-sensitive, so enter it exactly as you did when you registered).
 3. You will now see the *Search* page.
 - Enter your *keyword* (A keyword search allows you to search for all items that have the word in the title, the author and the description).
 - For example, enter *Autism*, then click on *Perform Search*. (Do not press Enter on your keyboard).
 4. A list of the resources you have selected will appear.
 - If you wish to look at a description of an item, click on *details*.
 - At the top *RH* corner you can click on the arrows to scroll through if there are more resources than one page.
 - On the right you can see if the resources are out on loan or available for loan.
 - The record you select will move to the top of the screen - to see the above items again, use *the left blue arrow on top RH side*.
 - If the selected resource is not available it will be reserved for you. You will receive a confirmation email shortly after the session.
 - You can check that your email is correct by clicking on Edit Your Account Details.
 5. Once you have selected your resources, click *See Your Selections*.
(To remove a selected resource click in the box on the left of the title).
 - Click *Book These* to borrow the resources
 - Click *New Search* to make another selection.
 - To confirm your order you must *Logout*.
