Reading Interventions for the Struggling Student

Presented By

Libby Brown

Date: 6 Apr 2017

Time: 4.00 - 5.30

Places limited to: 25

Cost: Free

Venue: Meeting Room Special Education Resource Unit

This session will unpack the key elements of reading and identify the range of strategies that you can use to support students. Teachers are encouraged to bring assessment information for a student or group of students, as the session will focus on practical strategies and resources that are available to support the development of your intervention strategies.
