Learning Plan Standards Help Sheet

A number of people who have a copy of the NEP database installed on their school computer are experiencing problems with entering the South Australian Curriculum, Standards and Accountability Framework (SACSA) learning outcomes using the *Append to (Learning Area)* button.

To enter a SACSA Learning Area outcome, click in the Learning Area box.

Click on the *Show Standards* button below.

Highlight the learning Outcome you want entered.

Click on the *Append to* (Learning Area) button.

Click on *Hide Standards* button.

Repeat this for each *Learning Area*.
