

Inclusive Technology Request for Service

The Inclusive Technology Service offers presentations, workshops and advice upon request.
Workshops also on offer at SERU are listed on the website <http://web.seru.sa.edu.au>

Type of request

- School Consultation – advice, planning and implementation of assistive technologies
- Professional Development - negotiated with site/partnership/groups
- Direct Support – training to support the implementation of SERU long term loan equipment
- Family Consultation (Section B only) – Advisory session for families across all school sectors
